Selectmen's Meeting

MAY 21, 1985 - by VIRGINIA ARRAL

EXPRESS CONCERN OVER MARION VISITING NURSES' APPROACH TO TOWN RESIDENTS

A letter from the town's Board of Health expressing concern over the decision of the Marion Visiting Nurses to provide home health care in Mattapoisett was read by Selectmen last Tuesday with their added note of concern.

Citing the fact that Mattapoisett has no official contract with Fairhaven, which is a private organization, and that Marion is also a private organization, Selectmen Chairman John DeCosta said there is nothing Mattapoisett Board of Health can do to stop the Marion nurses from providing this service.

Selectmen did point out they were concerned with the method the Marion Nurses have used in that they did not contact either the Mattapoisett Board of Health or the Board of Selectmen to notify their intentions. "We would hope they would come before the proper authorities in Mattapoisett before proceeding any further," said DeCosta.

The Board of Health letter read, in part: "As you remember, in 1982 when the then Board of Health decided to go out of the home care business, many alternatives were explored. One was to approach Marion; at that time their answer was an emphatic "NO". The Fairhaven Community Nurse Association then provided home health care to the residents of Mattapoisett.

"Although it is not our intent to in any way restrain trade or cause conflict, we do feel there are many issues to be addressed and many questions to be answered. We can also foresee numerous potential problems, such as losing continuity of care, confusion for not only potential patients but also for the Public Health Nurse, Ellen E. Boyd, and other Public Service personnel in town, and a threat to the excellent working relationship between the Fairhaven Community Nurse Association, Inc.; the Public Health Nurse, Police Department, Fire Department, Emergency Medical Service and other providers in town."

The letter continued, "As duly elected Board of Health members whose ultimate moral and legal responsibility is the health and well-being of town residents, we feel common courtesy would call for representatives of Marion Visiting Nurses' Association to meet with us and make their intentions clear."

Selectmen were jointly in agreement that the Marion Nurses should provide its board and the town Board of Health with their proposal. They stressed they are more than satisfied with the services the town is receiving from the Fairhaven Community Nurse Association.

In other business, Selectmen:

RECEIVED SEVERAL COMMUNICATIONS from Police Chief James Moran which included a notice regarding Officer Paul Silveira's successful completion of the Basic Training Course given to full-time police officers at the Barnstable County Police Academy.

An announcement was made on the resignation of Officer Penelope Hiller. She cited time conflict demands as her reason for resigning after seven years on the po-

lice department. The board will send a letter thanking her for her many years of service which included 2 years as the town dog officer.

At the recommendation of Chief Moran, Walter C. Norcross, Sr. of Fairhaven was appointed as a part-time police officer. Selectmen Chairman John DeCosta noted Norcross is a fully qualified EMT and will be an asset to the department.

DISCUSSED with Stephen Grossman of American Cablesystems changes to be made in the channel offerings. Grossman told Selectmen the cable company has no control over the changes because they are required by the FCC (Federation Communication Commission) regulations.

The changes include adding W.S.T.G., Channel 64, to the Economy Basic Service. In order to accomplish this without losing any channels Grossman said, "we are required to move ESPN to Channel 19; add Channel 64 WSTG to Channel 11; merge (Bay 8 Community Programming and Channel 19 Community Bulletin Board) and for convenience, we will move Channel 2 WGBH to Channel 3."

Grossman cited the benefits of merging Bay 8 and Community Bulletin Board as being able to add an additional channel without deleting one; with the purchase of a new character generator "we are able to upgrade from nine pages of memory to 20 pages of memory, designated to the Community Bulletin Board and these changes will allow us to make better use of our channel capacity."

Grossman said he didn't think there would be any problems in the change. "This should be for the better of the system," he said. He added, that as a means of effecting a smooth changeover for those who wish to upgrade their services, "we are prepared to handle this at no charge until June 30."

throughout the nation are making to have everyone BUCKLE UP AND DRIVE DEFENSIVELY for greater safety on our highways, roadways and streets.

Police Safety Officer Stan Ennis met with Selectmen to urge drivers to use safety belts and to place children in safety seats. Ennis noted use of these restraints has proven effective in reducing such injuries and preventing deaths and ensuring the preservation of our families, this nation's most precious resource. He added that there is a $25. fine for drivers who do not restrain children in safety seats. He said warnings have been issued but no one has been cited as yet.

Charges Against Suspects

IN SMOKE BOMB AT ORR

Mattapoisett Police Chief James Moran said Friday that investigation by the Mattapoisett Police Department has resulted in charges being prepared against 4 male suspects who allegedly chained and locked an upper story hall door just before the smoke bomb was set off in the corridor below. Further investigation continues involving 2 more males who are suspected of throwing the smoke bomb down the hallway to a point opposite the main office of the school. The smoke bomb was thrown down the corridor on Friday, May 17th.

New Life for Van

MULTI-PURPOSE POLICE SAFETY VAN

Selectmen Chairman John DeCosta, Police Chief James Moran, Executive Secretary Carol Adams, Safety Officer Stanley Ennis and Selectman Frank Suzan are shown as they inspect a revamped van that will be used by the police department for safety purposes. The van, formerly used by the Senior Citizens, was sanded down and masked by 5 or more volunteers from the police force and Proprietor Daniel S. Querido of Danny's Auto Body donated a two-tone paint job in blue and white.

The van was lettered by Mattapoisett Police Officer Kenny Pacheco, Proprietor of Village Signs.

The purpose of the vehicle is varied. It will be used to stop and weigh heavy trucks to see that their weight is within legal limits as they travel town roads. The primary purpose will be to act as a highway safety vehicle for Safety Officer Ennis in all of his various training and safety teaching appearances.

Chief Moran expects that the van will prove extremely valuable, also, as a radar station to monitor speeds of vehicles in beach areas so as to control car speeds in high density, hazardous roads where children and adults walk at

The Great Grapefruit Diet™

ALL NATURAL APPETITE SUPPRESSANT AND FAT REDUCER

INTRODUCING . . . the latest development in nutritional weight loss technology . . .
. . . the 4-way, all natural weight loss sensation!

1 GRAPEFRUIT EXTRACT — Fruit enzymes promote fat reduction by stimulating cell metabolism.

2 THE GREAT GRAPEFRUIT DIET also contains GLUCOMANNAN, the amazing vegetable fiber, used in Japan for over 1500 years, which absorbs over 50 times its weight in fluids - giving a comfortable "full" feeling, while cleansing your system. Glucomannan, as a high-fiber substance, has the ability to restrict the absorption of fat and cholesterol in the intestines.

3 THE GREAT GRAPEFRUIT DIET contains kelp, lecithin, apple cider vinegar and vitamin B6 - the oldest and most widely used natural fat-reducing formula in the world - for burning and emulsifying fat and to flush it out of the system.

4 Uva Ursi is added to the GREAT GRAPEFRUIT DIET as a gentle, smooth-acting natural diuretic to prevent fluid retention, puffiness and bloating.

The Great Grapefruit Diet™ is carefully formulated with the best natural ingredients to REDUCE FAT AND SUPPRESS APPETITE . . . *Naturally!*

cession of owners used the mill to produce corn meal, shingles, and boards. As production demands changed various "mill appurtenances" were added.

In 1888 the property was purchased by James Hartley, Sr. Numerous improvements were made, including a horizontal water turbine to power a box board mill and "blocking off" saw. Box boards were taken by wagon to the Marion wharf for shipping. Shortly after the turn of the century steam power was added along with a "long mill" over the spillway.

Following Hartley's death and World War I, his four sons and one daughter formed the Hartley Saw Mill Company. A variety of wood products were produced and hardware was sold from the "office building" built in 1920. The Company maintained its own wood lots and also purchased standing timber. Excess logs were preserved by floating them in the mill pond. From the 1920's - 1950's the mill was the largest industry in Rochester's history.

The mill shut down completely in 1964 and has fallen in disrepair. However, the water turbine installed by James Hartley, Jr. and Malachi White (last of the local millwrights) still remains in restorable condition. The main shafting and pulleys are still present along with wooden pulleys remaining from the grist mill days. Plans are underway to restore the mill.

Each year the MMR cup plate displays a scene from the tri-town area. The newest plate is available at Country Charm Flower Shoppe on Mendall Road, Rochester; Sitting Duck on Front Street, Marion; and Seaport Pharmacy on Route 6, Mattapoisett. The new plate costs $8. A limited number of the first two plates (Ned's Point Light and The Tabor Boy) is still available at

HURRICANES - TOPIC OF THE DAY

Historians will meet May 29 and June 5 at 10:00 a.m. in the Mattapoisett Public Library to continue their exploration of the happenings along the town waterfront since 1900.

Hurricanes! - a low point in the lives of town residents. Devastation to our summer colonies, loss of lives, and great personal tragedies. Everyone in town has a story to tell.

Then the wars came, the waterfront rebuilt and continues to be a rich resource. The hurricanes are forgotten and land along the sea revered.

Our historians are growing in number and the colorful anecdotes they add to

Dear Customer:

Due to present Federal Communication Commission regulations we are required to add W.S.T.G. Channel 64 to our Economy Basic service. In order for us to accomplish this we are forced to make the following changes:

- Add Channel 64 W.S.T.G. to Cable Channel 11
- Move E.S.P.N. to Cable Channel 19
- Merge Bay 8 - The Community Programming Channel and The Community Bulletin Board
- Move Channel 2 W.G.B.H. to Cable Channel 3

We will offer a free upgrade to any Economy Basic customer electing to upgrade to the Basic service. This represents a $10.00 savings and will be good thru 6/30/85. We are presently in the process of printing new channel cards and remote control stickers and will notify you as soon as they are ready for distribution.

We hope that you enjoy the diverse programming available on Channel 64 and throughout the rest of our channel line-up.

We look forward to serving you now and in the future.

A special thanks to Mrs. Bobbie Williams for all her efforts in providing a super after prom party and John and Kathy Coucci for having a delicious breakfast on Saturday morning.

THANK YOU

We wish to express our sincerest heartfelt thanks to the many relatives and friends for the kind expressions of sympathy shown to us during our recent bereavement, and for the many spiritual bouquets, Mass cards, floral arrangements, cards and contributions that were so greatly appreciated. We also wish to thank the Clergy and Cornwell Funeral Home.

A THANK YOU

We would like to thank the many people for all their help, comfort, and concern at the time of Charlie's death.

We would especially like to thank those who gave blood for Charlie and we would like to thank the Police Officers of the town for what they did before and at the time of the funeral.

We would also like to thank the many people who helped, donated time and food and helped us to cope, at a time when we all needed it.

Thank you from, Joyce and Bill Osborne and the Family of the late Charles Avilla.

Prepared Childbirth

The next series of B.A.C.E. Prepared Childbirth Classes will begin on Sunday afternoon, June 2nd, in Fairhaven. Consumer-oriented instruction will be given in the form of short lectures, discussions, films, charts and diagrams. Exercises and relaxation techniques will be taught to minimize the discomfort of labor and delivery.

Because class size is limited, parents expecting babies in August are encouraged to register early. For more information call Lisa Elliott (994-1250) or Kris DeLeo (992-2952).

SUMMER FAIR

The Tobey Hospital Guild announces that it will hold the "Return Engagement Summer Fair" at the Redmen's Hall on Main Street, South Wareham on June 22nd from 10 a.m. to 3 p.m. The location was changed due to the fire at the Tobey Homestead. Many of the articles collected for the fair were water and smoke damaged, and there is a need for books, white elephants and crafts. For further information call 295-3858.

with Phillip Andrews in Grade 3 chosen the winner. The children contributed from their piggy banks toward gifts for Mickey. He was presented with a check from the children, as well as a Cabbage Patch doll named "Mickey". A banner, bearing the school logo, signed by all the children was also presented.

In the evening the staff of Center School hosted Mickey at a dinner held at the Oriental Pearl in Westport. The centerpiece for the head table was a money tree on which were the donations made by present staff as well as former staff members who attended the dinner in honor of Mickey's retirement from Center School after nineteen years of devoted service.

Summer Enrichment

Brochures which include registration forms have been mailed to all sixth through ninth graders in the Old Rochester Regional School District for the ORR Summer Enrichment Program. The courses to be offered are: Pre Algebra, Typing, Reading Skills, Getting Better Grades (Study skills, habits and attitudes), Beginning and Intermediate Tennis, Music, both individual lessons and ensemble; Basic Painting, and three computer courses (BASIC I, BASIC II, and Word Processing and Computer Applications). Additional registration forms are available by contacting the ORRJHS, 758-4928.

Town Officials Recognized

FOR LENGTH OF SERVICE

As part of Plymouth County's 300th anniversary celebration, thirteen elected officials from eleven different county towns will be recognized for their length of service in office. The recognition program is sponsored by the Plymouth County Selectmen's Association and the Plymouth County Development Council (PCDC).

Manuel R. Nunes, Jr. of Mattapoisett is runner-up in the longevity contest with 47 years in office. Nunes has been Highway Surveyor since 1938. He is second to George W. Cushman of Kingston who has 53 years of elective service having been elected Town Clerk in 1932.

Others in this area to be honored are Richard E. Chase, Mattapoisett Planning Board member, having served since 1950; Charles F. Woodcock with 27 years of service on the Marion Board of Assessors.

In announcing the tercentenary awards Joseph W. McCarthy, chairman of the Plymouth County Commissioners, praised the recipients for their years of community service.

"Plymouth County has a long and proud tradition of public service. Over the past 300 years literally thousands of community leaders have served their towns with distinction," McCarthy said.

The thirteen officials together have served a total of 450 years in their respective positions.

The awards will be presented at the June 5th meeting of the Plymouth County Selectmen's Association in Plymouth.

Tobey Hospital

BLOOD BANK ACCREDITED

According to Administrator Charles S. Kinney, the Tobey Hospital Blood Bank has been granted renewal of accreditation by the American Association of Blood Banks.

Accreditation follows an intensive on-site inspection by specially trained representative performance within the facility meets or exceeds the rigorous standards set by the AABB. By successfully meeting those requirements Tobey Hospital Blood Bank can join more than 2,200 similar facilities across the United States and abroad that have earned the Accreditation rating and recognition.

Mr. Kinney explained, "The AABB's inspection and accreditation procedures are voluntary. It is not legally necessary for a blood bank to be accredited, but like many others, our facility has sought accreditation because it represents a level of professional and medical expertise that meets and exceeds government regulations. The primary goal of the program is to assist facilities like ours to achieve excellence, and thus provide higher quality blood, blood components, and other services to patients."

The recent inspection for accreditation at Tobey was guided by The Standards for Blood Banks & Transfusion Services written by a panel of experts in the field, the AABB Committee on Standards. The AABB National Committee on Inspection and Accreditation assures compliance before granting accreditation. Not only do these standards set the level of professional proficiency for blood banks in the United States, but they provide the basis of practice for similar facilities around the world.

JUNIOR VOLUNTEER OPPORTUNITIES AT PARKWOOD

Parkwood Hospital's Junior Volunteer Program will once again provide summer opportunities for young adults ages 14 to 19.

The two-month program offers a wide range of activities in virtually every department of the hospital and give young people a chance to learn valuable job skills while providing a most welcome community service. Besides a wide array of service in the Nursing Department, Junior Volunteers also help out in such places as data processing, business office, patient finance, x-ray, and dietary. Openings are also available with the hospital's gift cart.

The program will run for the months of

ORR Junior High

On May 15th thirty-six students from Old Rochester Regional Junior High School visited Plimoth Plantation, the 1627 Pilgrim village and Wampanoag summer encampment. The students were given the opportunity to ineract with the English colonists and the Native Americans who were portrayed. The bus transportation and admission fee were provided free of charge for the students through a grant, "Open Door Policy", offered by the Plantation. Arrangements for the trip were made by Carol Young, Resource Teacher.

SELF-DEFENSE FOR WOMEN.

Classes in Self-Defense for Women will begin at the YWCA in June. They will be taught by the Fred Villari Studio of Self-Defense.

Call the YWCA at 999-3255 for information on starting date and time.

ART EXHIBIT

Acrylics on paper by Ms. Linda Whyte Toatley will be displayed in the YWCA Lobby during June.

Ms. Toatley's work graphically demonstrates her diverse interests, attitudes and views of the world. She says, "I paint landscapes which are pale, delicate, serene places --- focal points for centering daydreaming, resting the mind's eye. A playful side of my work is bright and colorful watercolor animal parades. The whimsical groups of creatures are amusing for adults and fun visual stimulation for young children. A serious side of me brings forth bold graphic images which are political statements."

The YWCA lobby is open Monday - Friday from 9 a.m. to 9 p.m., and Saturday from 9 a.m. to 5 p.m.

A Meet the Artist reception will be held at the YWCA on Sunday, June 9th, from 3 to 5 p.m. The public is invited.

Ms. Toatley will also be displaying her work in a group show at the Harriet Tubman Gallery in Boston during June.

HORSENECK BIKE TRIP

The Horseneck Bike Trip on Saturday, June 8th, offered by the Lloyd Center for Environmental Studies in South Dartmouth, is THE way to start your summer -- before the summer crowds arrive! Enjoy a leisurely day of cycling and on-foot exploration as we cycle the rural backroads of Dartmouth and Westport. We will be making several stops during the day to explore various natural areas on foot. Several of our stops should offer the opportunity for birdwatching, so bring your binoculars. The route takes us through rural areas and along the banks of the Slocum River. There are a few hills; however, the pace will be leisurely. Pre-registration is required,

APPLICATIONS ACCEPTED FOR SUMMER PROGRAM

The Lloyd Center for Environmental Studies is now accepting applications for its Summer Program in Coastal Studies. The Summer Program offers a unique month-long learning experience for students entering grades 7, 8, 9 or 10. Each separate grade level session focuses on a particular aspect of coastal ecology.

The four programs are as follows:

Grade 7 - Environmental Awareness - Coastal Ecology.

Grade 8 - Biological Oceanography.

Grade 9 - Physical Oceanography and Geology.

Grade 10 - Chemical and Bacteriological Oceanography & Photography.

The seventh and tenth grade programs are held from July 1 - July 26, the eighth and ninth grade programs are held from July 29 - August 23. All sessions meet Monday - Friday, 8:30 to 3:00.

Grade 7 students study the estuary, saltmarsh, beach and rocky coastline in depth, emphasizing environmental awareness and skill development. In the 8th grade program, students take a closer look at these ecosystems, and study the anatomy, physiology and ecology of coastal and estuarine plants and animals. Ninth grade participants study the physical properties of oceans and surrounding areas. The properties of waves, tides, and currents are studied through a series of student-designed experiments. The tenth grade program, new in 1984, involves students in an investigation of the chemical properties of water, including an intensive water quality analysis of the Slocum River in Dartmouth (located adjacent to the Lloyd Center). In addition, the students are

Zeiterion Activities

ANNOUNCES 1985 SUMMER CLASSIC FILM SERIES

The 1985 Summer Classic Film Series, presented by the Zeiterion Theatre, will feature 14 of America's all time favorite film legends. Nostalgia and trivia fans, as well as everyone who loves a great movie, can enjoy two uncut classics each week on the theatre's giant silver screen. The series, beginning June 15th and running through July 27th, will also feature a continuing Buck Rogers serial, starring Buster Crabbe, and a cartoon prior to each main feature. Moviegoers will be able to relax in air-conditioned comfort and enjoy buttery-fresh popcorn from the theatre's concession, open for all showings.

1985 Summer Classic Film Series subscriptions are available. Subscribers receive eight tickets for $20.00 good for any movie. Single ticket prices for each movie are $3.00, $2.50 for seniors. CONTACT LENS PROBLEMS?

Are you one of the growing numbers of past or present unsuccessful contact lens wearers? Or have you been told that you couldn't wear contact lenses because you have astigmatism, need bifocals, or just weren't a good candidate? Well, we don't believe it, and you probably don't either! With today's modern lens materials and advanced lens designs, there are very few prescriptions that cannot be filled with contact lenses. Whether you are interested in gas permeable, daily wear soft, tinted soft, astigmatic soft, bifocal hard or soft or the newer extended wear lenses, we would be more than happy to discuss your individual contact lens needs with you.

For a limited time, we are offering an initial no charge, no obligation consultation to previous unsuccessful contact lens wearers, or those who would like to know if they are suitable contact lens candidates.

If you are sincere about wanting to look and feel younger while successfully wearing contact lenses, we urge you to call us today at 992-EYES or 992-3937 for your no charge consultation.

Remember, you don't have anything to lose except your heavy eyeglasses.

SAILORS' VALENTINE SHOW OPENS AT HERITAGE

"Sailors' Valentines", the first of five rotating exhibits in the Old Barn Gallery at Heritage Plantation of Sandwich, presents 44 works of shell art by Bernard A. Woodman of Marstons Mills. The show, which opened May 19th, runs through Sunday, June 23rd, and is open to the public during Museum hours.

Sailors' Valentines are glass covered shadow boxes, always octagonal in shape, containing many tiny sea shells glued into geometrical and floral patterns. Contrary

to myths, these folk art pieces were not made by sailors in order to pass the time on long voyages. Purchased by sailors from enterprising residents of the Barbados Islands, these gift shop items ended up in the hands of the fairer sex all over the world and thus -- the name "Sailors' Valentines" was born.

Mr. Woodman became fascinated with Sailors' Valentines at an early age. He became acquainted with the shell art through one owned by his mother. Mr. Woodman vowed that one day he would make one of his own.

The victim of crippling arthritis since the age of five, Mr. Woodman was declared totally disabled and unemployable in 1970 when the disease caused severe joint limitations and 100% fusion of his spine. Stints with various occupations including draftsman, machinist, instrument maker, toolmaker and professional scale model maker had left him dissatisfied. Obviously skilled with his hands he decided to turn his talents toward the realization of his old childhood dream -- the making and researching of Sailors' Valentines.

After producing four Valentines at a beginner's snail's pace, Mr. Woodman showed his work to the late Ralph Cahoon, a Cape Cod artist famous for his paintings of whimsical, nautical fantasies. Mr. Cahoon purchased one of the Valentines and then proceeded to assist and encourage Mr. Woodman; collaborating with him on numerous works combining painting with shell work borders.

A self-taught design/craftsman, Mr. Wood-

man has developed many original manufacturing techniques. He produces his own shadow boxes. Unlike many other Valentine makers he never colors or shellacs his shells and no two Valentines are alike.

In addition to working with Mr. Cahoon, Mr. Woodman has incorporated the scrimshaw of Christina McLean, Scrimshander, Mattapoisett; the art of Richard and Barbara Sparre, Martha Cahoon of Cotuit, and C. John Guise, member of the British Royal Society of Miniatures. He will also be complemented for this show with a new collaborative artist, Elizabeth Munford of Hyannisport.

About 39 of the Valentines are for sale, while five pieces of Mr. Woodman's works are on loan from private collectors. Please see Prices and Procedures in the gallery of the Museum Store.

Membership as well as admission tickets to the Plantation for the day will be honored for the rotating exhibition and will include admission to all of the museum buildings, exhibitions and grounds. Tickets are $5. for adults, children under 12, $2.; five and under, free.

popular museum on Tercentenary Day, Sunday, June 2nd, as part of Plymouth County'd 300th anniversary celebration.

The official Tercentenary Coins will be distributed at Plimoth Plantation after the gates open at 9 a.m. on June 2nd. Other activities planned for Tercentenary Day include a sunrise service, two outdoor concerts, a re-enactment of the "Generall Court att Plimoth" and more.

Tercentenary Day will celebrate the founding of Plymouth County on June 2, 1685. The former Plymouth Colony was divided into Plymouth, Barnstable and Bristol Counties in that year.

A special Sunrise Service at Plimoth Plantation will mark the start of Tercentenary Day on June 2nd. The service will begin at 8 a.m. in the fort of the 1627 Pilgrim Village. Admission is free for this ceremony but will be charged when the gates open at 9 a.m. The commemorative coins will be distributed at that time. Plimoth Plantation is located on Route 3A in Plymouth.

At noon on Tercentenary Day churchbells throughout Plymouth County will be rung to celebrate the region's 300th anniversary.

A re-enactment of the "Generall Court held att Plimoth the second Day of June 1865" will be presented at the Superior Court House at 12:30 p.m. The event will feature students from Plymouth-Carver High School as members of the first session. Admission is free. The court house is located on Court Street in Plymouth.

stage this summer on one of its stages. The June orchestra session will study and perform pieces from West Side Story scheduled at Priscilla Beach Theatre on June 21, 22, 23, 28, 29, 30 at 8:30 p.m. Orchestra students will culminate their study by taking an active part in the orchestration of the musical on those days under the direction of former Quincy Philharmonic Orchestra Conductor Paul D'Angelo.

PBT Producer Anne Joelle states, "We have been wanting to launch this educational program at the theatre for years to collaborate with our Drama Department which prepares students in the communication skills of the actor. There are so very few opportunities for young people to develop their orchestra skills in this area. We are thrilled at the enthusiasm of our musical leaders to share their invaluable knowledge with young musicians who are aspiring to pursue the field of music. The setting of a theatre will give them a good working knowledge of the musical theatre field."

Students of music who wish further information and wish to register should call the Theatre at 224-4888.

Codman House

OPENS WITH "FLORAL FABRICATIONS"

Codman House, an historic house museum in Lincoln, MA., opens to the public on June 2nd with a special exhibit of "Floral Fabrications". The original document fabrics in each of the museum rooms, which are preserved as they were when the family lived there, will serve as inspiration for floral arrangements created by the Lincoln Garden Club. Samples of unused portions of these fabrics will be displayed to show how they looked when new. One of the fabrics featured will be an 18th century copperplate printing on linen, probably designed by Boucher. Entitled "L'Escarpolette", it was reprinted c.1890 and was

first used in the Paneled Room at Codman House by Ogden Codman, Jr. about 1897. This fabric is in the process of being reproduced as part of a major program to conserve the furnishings in the house. In addition, several fabrics from an earlier decorating period, not usually on view, will be exhibited. The floral arrangements will reflect the colors and spirit of the fabrics and will be in keeping with the architectural style of each room.

"Floral Fabrications" will be open for viewing 12 to 5 p.m. on Sunday, June 2nd, only. Admission is $2. for adults, $1. for children.

Codman House, a property of the Society for the Preservation of New England Antiquities (SPNEA), was built c. 1735. A house of almost continuous family ownership and occupancy for over two hundred years, it has been "preserved and maintained as a specimen of a New England country estate" according to the family's wishes. The house and its collections of furniture, paintings, china, books, and personal possessions remain as the family left them. Ogden Codman, Jr., well-known decorator/architect, was one of the last family members to live in the house and decorated the rooms as they appear today. Architecturally, the house preserves a careful blend of Georgian, Federal, Victorian, and Classical Revival styles. The park-like grounds include varied and unusual plantings as well as a formal garden.

Codman House is open to the public June
